## Route

Suitable for:

# 5

Details:

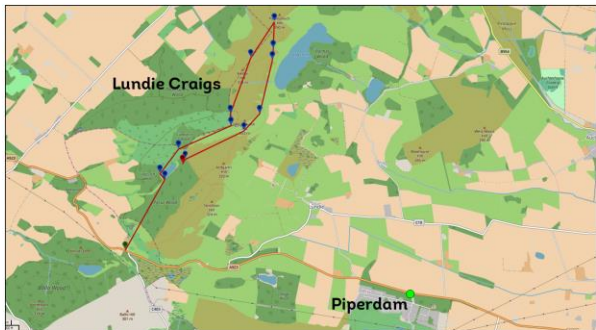

**Difficulty:** Medium  
**Length:** 4.88miles  
7.85km

## LUNDIE CRAIGS

Lundie Craig is a prominent summit in the Sidlaw Hills, with a steep escarpment and a transmitter mast that make it easily identifiable when seen from afar. It is a great viewpoint and the ascent is very straightforward; the rougher descent given here could be omitted.

## Directions

### Terrain:

Good track to summit. Return route is rougher and boggy in places.
